## WORK EXPERIENCE

**2017 TO  
CURRENT**

**CO-FOUNDER AND EDUCATOR AT  
ANGEL CONVENT SCHOOL.**

To improve the foundational learning for students living in the Rural Area upto age 16, I decided to start an educational institute. Currently, with the help of my team we have created some very good solutions for improving Logical and Critical thinking, Language Understanding, Speaking Skills and Mathematical Skills for students upto age 12 at Angel Convent School. We have strictly provided solutions which doesn't include technology at large scale so that students can use their mind for thinking while learning. Our learning solutions are focused on Activity based Learning and Hands On Learning Methodology so that students can enjoy his/her studies in good environment.

**2017**

**VISUAL AND UI/UX DESIGNER AT CLIMBER.**

I was working with Climber as the UI/UX Designer and Visual. Here I use to work in both the domains simultaneously. I have to do the analysis work as the part of their UX Team and I also use to work with the Design Team where I make graphical stuff like posters, flyers, logo, UI Screens etc. Apart from this I was also the part of team for making assets for the event named **Indian Youth Conclave - 2016 and 2017.**

**2017**

**GRAPHIC AND UI DESIGNER AT EDIOME.**

I was working with Edlome as the Graphic and UI Designer. This is new start-up company, So as the designer I have made the identity design and rest supporting graphics elements.

**2016**

**UI-UX DESIGNER AT INFINITY INFOWAY PRIVATE LIMITED.**

I have worked as the UI-UX Designer at IIPL. The major work for me at IIPL was to make UI Designs for the mobile application, websites and to make redesigns for the existing applications.

## EDUCATION

**2017**

**GRADUATION**

I have completed my Bachelor of Engineering (B.E.) in the field of Information and Technology (I.T.) from Noble Group of Institution (N.G.I.) from Gujarat Technological University with 9.19 ( SPI ), 8.48 ( CPI ) and 8.72 ( CGPA ).

**2017**
